Project Title: Over the Garden Wall Website

Over the Garden Wall - Wikipedia

I'd like to build this site as multiple pages, rather than a long, single page website. Typical site navigation probably across the top. I think there is plenty of content and photography to build out individual pages.

- **Home Page/Introduction** – Introduce basic facts and maybe a one sentence summary of the show
- **Summary**
- **Cast**
- **Episodes**
- **Reception**
- **Sources** – this page will just list sources, including the Wikipedia page, as well as other sources for photography, and any other credits that need to be provided.
