Gloria and Elma Meeting Notes

- Our backgrounds
    Both ComDes

- Subject History
    - "Cult classic" fall show, often rewatched yearly
    - Really short miniseries, only ten episodes

- Site Vibe
    - Generally want you to have a good bit of creative freedom here, especially with the message of the site being "keep making art" and to appreciate animation

    - Project overview
        - Should be for both fans and non-fans
        - Make non-fans want to watch it
        - Feel inviting
    - Message
        - Beauty of hand drawn animation of today's age
        - Anti-AI
    - Visual Style
        - Dark, autumnal, yellows and oranges
        - No modern or corporate feel, instead more cozy" and inviting
    - Home Page/Introduction
        - Short summary of the show
        - Logo used
        - Screencap used for background maybe? Or elements from the show there in some way
        - Navigation for the page
    - Summary
        - Longer summary
        - Include the history from earlier
        - Play with the formatting
    - Cast
        - Can be similar to our multi panel pages
        - Show both the actor and the character they play
        - Not just main cast since there's only ten episodes
    - Episodes
        - Shows a screencap, title, length, and short summary of each episode
        - Try not to spoil things in the recap though
        - Add a link to where to watch each episode
        - Vertical list
    - Reception

- Doesn't need to be all of them but highlight some awards they've been given or nominated for
- Also can be formatted in different ways in your different iterations
- Sources
    - Can just be in the footer or a not super fancy page

- Questions?
    - Will message on Slack if anything arises
